ALL-COUNTY LETTER NO. 82-88

TO: ALL COUNTY WELFARE DIRECTORS

SUBJECT: AID TO FAMILIES WITH DEPENDENT CHILDREN - CASH GRANT CASELOAD
MOVEMENT AND EXPENDITURES REPORT (CA 237 FG/U)
REFERENCE:

There appears to be some confusion as to how to report the disposition of AFDC applications in which the applicant has moved or the county is unable to locate the recipient. These applications, according to the EAS Manual Section 40-171.221c, should be reported as an application disposed of during the month by reason of denial (Part A, Item 4b on the CA 237 FG/U statistical report). At present, many counties are reporting these applications as other dispositions-cancellations and withdrawals (Part A, Item 4c on the CA 237 FG/U statistical report).

We would appreciate your cooperation in correcting the reporting problem currently occurring on the CA 237 FG/U statistical report. If your county is not reporting in the manner as described in the EAS Manual Section 40-171.221c, a correction is required. For federal reporting requirements it is essential that this correction be made for the July 1982 report month. If the July 1982 report has been completed and mailed, a revised report will be needed.

If there are any questions concerning this All-County Letter, please contact Dan Stone of the Statistical Services Branch at (916) 445-3644 or (ATSS) 485-3644.
